MoringaPet™ BALANCE targets digestive health in three ways, promoting healthy elimination. It also contains the far-reaching benefits of the Moringa Oleifera tree. Additionally, the formula's chlorophyll and antioxidant content help eliminate toxins from your pet's system.

MoringaPet™ BALANCE's flavor and smell is artisan-crafted specifically to boost the appetite of companion animals, creating a taste and aroma that will excite and delight even the pickiest of pets.

## INGREDIENT SCIENCE

### Moringa Oleifera

Moringa Oleifera provides far-reaching health benefits. Moringa contains 15 times the potassium in bananas,

## INGREDIENT SCIENCE CONT'D

25 times the iron in spinach, 7 times the Vitamin C in oranges, and 17 times the calcium of milk. MoringaPet™ BALANCE is the only pet-specific, Moringa product that contains both the leaves and seed pod cake (fruit) of the tree, delivering the ingredient at a high potency.

### Digestive Health Complex

MoringaPet™ BALANCE was designed with a trifecta of digestive health support. The formula includes probiotics, organic prebiotics sourced from Jerusalem artichoke, and digestive enzymes that work together to balance and optimize your pet's gut flora. Improving gut health can improve energy and immunity. Together, these digestive health ingredients and chia seeds promote regular, healthy elimination.

## RECOMMENDED USE

1. Stir the mix directly into any moist pet food according to serving instructions on label. If using dry food, add water and stir well. Wait 3-5 minutes and serve. Food must be hydrated.
2. Mix 1 scoop with 1 cup of water in a shakeable container, shake well, and use broth as a topper to any food. May be refrigerated or frozen.
3. Mix up as a hearty broth and use between meals as an overall health booster.
